

VALLUVAN STRUCTURES

WE MAKE
YOUR BUSINESS
BETTER THAN OTHERS

VALLUVAN STRUCTURES

Valluvan Structures is a design consultancy started by young innovators. We put in our creativity to create the best designs for your dream structures. The advantage of choosing Valluvan is that all our designers are professionally trained and are well versed with all new software technologies. Our expertise is fine tuned over focussed ground work and has evolved to meet your changing needs.

VALLUVAN STRUCTURES

EXPERTISE

2D AUTO CAD PLANNING

We provide the best design plan for your dream structure. The designs are drafted using Auto CAD software and are two dimensional.

3D MODELLING

We give shape and form to your ideas. The modelling services are rendered with the most advanced softwares considering all design standards.

STRUCTURAL DETAILING

This service is provided with the aid of professional design engineers. The detailing is highly enhanced and is based upon the Indian Standards.

VAASTHU SHASTRA

We are experts at providing the most efficient and customer satisfactory designs with Vaasthu guidelines.

VALLUVAN STRUCTURES
